Bigger Is Not Always Better When It Comes To Your Nonprofit Board

I've seen a lot of articles lately with tips on how to recruit new board members quickly and in mass quantities—and a lot of organizations are adopting this strategy: they create large boards thinking that more people means more effective...

How To Blow Your Boss's Mind

We all want to get ahead. Still, even when it seems you're doing everything right—you're never late to work, rarely take a sick day, and always meet deadlines—promotions can be few and far between. You're putting the work in,...

How Successful People Make Smart Decisions

Your days are filled with a constant stream of decisions. A study from Columbia University found that we're bogged down by a good 70 decisions a day. Some decisions are minor, like what to eat, which route to drive to work, or in what order to tackle...

10 Ways Great Bosses Use Science to Lead Great Teams

No one does anything worthwhile alone, and that's why we all want -- scratch that -- that's why we all need to build great teams. But is team building an art or a science? Great question -- one I asked Gregory Ciotti, a Customer Champion...

Five Habits That Could Get You Fired!

Bad habits in the work environment, where do I begin!? There are so many different aspects to this that I found it difficult only picking a handful to focus on. I've been in business for 30 years and in that time, I've met people from all...

The Handful of Smart Things I Did as a Working Mom

I've made any number of mistakes as a mom, as my kids are only too happy to note. My personal favorite was the time that, from a business trip in Chicago, I decided my daughter was faking an illness, so I told her to get to school. When she...
